

Operative Log Verification

Applicant Name:

Applicants Op Log Numbers:

	First Assist	Surgeon	Teaching Assistant
Vaginal Deliveries			
Cesarean Deliveries			
Operative Deliveries			
Circumcisions			

As the program director, I confirm the numbers above are accurate for the above named applicant.

Cone Health requires the following numbers prior to starting the fellowship for credentialing purposes:

Vaginal deliveries: 80

Circumcisions: 10

Cesarean deliveries (first assist): 10

If the applicant is not yet at the number required by Cone Health, I certify that there is a plan in place in order for the applicant to achieve these numbers.
